**A Little at a Time** David A. Adler

The city is a big place for a small boy. He has many questions for Grandpa as they see skyscrapers, pass a construction site, and see dinosaur bones in a museum. The morning seems to end very quickly, but sometimes we don't notice when things happen just a little at a time.

Grandparents and young readers alike will savor this heartwarming book. First published in 1976, the text for this new edition incorporates minor changes made by the author.
