## **DK Guide to Space** Peter Bond

A look at space that's out of this world! The DK Guide to Space takes the reader on a fascinating journey through our universe, using the latest space photography from the Hubble Telescope in a large format to create a dramatic guide to the exploration of space. The NASA photographs are supported by clear artwork explaining complex ideas. Space exploration, astronomy, and cosmology are explored in clear, concise text. Packed with information, this stunning photographic book will capture the imagination of both space enthusiasts and those who are just beginning to learn about our universe. Stunning presentation of the latest NASA and Hubble telescope photography. Over 300 dazzling color photographs.
