One of the world's premier wilderness areas, Glacier Bay is known for its large, contiguous, intact ecosystems, still dominated by natural processes. This beautifully illustrated guide – produced with the assistance of Alaska Geographic – highlights over 140 familiar and unique species of mammals, birds, fishes, seashore creatures, trees, shrubs and wildflowers and includes a regional map. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Created in collaboration with Alaska Geographic. A portion of the proceeds from the sale of this guide goes to support the important work of Alaska Geographic. Made in the USA.
