## **Marines and Renegades** Gene Rackovitch

In December of 1945 on Guam, two Japanese soldiers attempted to surrender to a patrol of Marines. The Marines, assuming them to be armed, shot and killed them. Another Japanese soldier witnessed the incident from the jungle. He fled, and his previous assessment of the treacherous Americans was enhanced. His zeal for retribution became ingrained in his psyche. In September of 1946, four Marines on a routine patrol seeking renegade Japanese who had been stealing from the outlying villages on Guam are ambushed by the renegades. One of them was the zealous Japanese soldier. The incident brings about a chain of events that leaves the reader wondering...who are the true renegades? The Marines or the Japanese?
