Margie writes as if she is speaking from across the kitchen table, openly, honestly, and straight from her heart. Personal experience and a deep desire to help others who want to learn and grow in their own lives motivates her. You will understand what she has discovered, from her point of view and life experiences, that has made such a difference in her life. As you read *Mind Matters*, you will gain insight into your own life and be able to identify and even solve some of your own personal issues and areas of concern. There will be moments of realization as you discover who is responsible for the life you have lived, are currently living, and will be living in the future. Many years of real-life struggles and difficulties stirred Margie to move out of that place of defeat and fear that so many of us get trapped in. She wanted victory and power in her life! The niggling question was “How do I get there from here?” In this book, Margie clearly shows how her life has changed and what she did to make it happen, providing you with her own discoveries. Applying what she has learned will give you the tools to discover an exciting path from defeat to victory for yourself!
