Excerpt from Mozarabic Collects: Translated and Arranged From the Ancient Liturgy of the Spanish Church
It is Dr. Hale's idea, and I sincerely share it with him, that the Commission of our own Church, now engaged in Liturgical Inquiry, might not improbably find some material for their labours in the same direction. Nor do I overlook the practical Object he has kept in mind, of enriching the devotional resources of pious members of the Church, for their private communings with God, in the fellowship of His Saints.
