## **See with Heart** Janey Colbourne

See with Heart is a book of poetry and photography by Janey Colbourne. Writing from the heart, and with a deep connection to the natural world, Janey is inspired by nature, human emotions and a strong sense of justice. The poems range from rage, to humour, to visions and inspiration. Through her writing she intends to bring connection and inspiration to people and give a voice to environmental and humanitarian rights. Janey also sees the humour and poetry in mundane, everyday life, with titles such as “Ode to a Coffee Bean”. The poems are accompanied by Janey’s beautiful nature photography. With a background as a musician and DJ, many of her poems are rhythmical, or in the style of Spoken Word poetry. Down to earth but eloquent, this is poetry that speaks even to people who don’t like poetry.
