This book is about Jacob the turtle who seeks help from the wise old owl. His two best friends, Grasshopper Trevor and Ladybug Tara accompany him. After finding the wise old owl they decide to have an adventure. Going over the Blue Ridge Mountains they arrive at Virginia Beach. From there they stowaway on a navy ship to Ireland. They head for England by tagging along on a fishing boat. A plane takes them to St. Louis, then a train back to the Blue Ridge Mountains. Three friends learn to depend on each other and realize what they themselves are capable of. Along the way they meet and help others in need. I wanted to write a book that children could enjoy and learn from as well.
