## Poems and Prose from the Old English

In this restructured and greatly expanded version of Burton Raffel's out-of-print classic, *Poems from the Old English*, Raffel and co-editor Alexandra H. Olsen place the oldest English writings in a different perspective. Keeping the classroom teacher's needs foremost in mind, Raffel and Olsen organize the major old English poems (except *Beowulf*) and new prose selections so as to facilitate both reading and studying. A general introduction provides an up-to-date and detailed historical account of the Anglo-Saxon period, and concise introductions open the literature sections of the book and many of the translations.
