This is a title in a series of pocket-sized guides dealing with different methods of fortune-telling. Each book is a comprehensive guide to its subject, and places the ancient art in its historical and cultural context. The subjects covered are dreams, tarot, runes, palmistry, graphology and numerology. Each guide aims to provide the reader with the means to glean information about their personality, and to offer new perspectives on their past, present and future. Charts, diagrams, and step-by-step instructions show methods of drawing on the wisdom of the ancients. This book deals with numerology.
