It's time for the team to return to a new year of college classes, but more trouble is coming to Charlotte, North Carolina. Ken's grandmother has awoken from her months long coma, and now maybe he can get some answers. He's still confined to a wheelchair after his disastrous fall from the eighty story tall syndicate headquarters, but Elena is unwilling to lose the momentum in their fight against the criminal elements in the city. She insists on taking up the cause as Stealth Strike, but Jeremy is against her stepping in where Ken left off. The Raleigh based syndicate has sent one of their top men with reinforcements to settle matters in Charlotte, and a new enemy emerges from Ken's past to threaten the team. Shawn is so good at his job, the team has begun to overlook his contribution, and Ken's girlfriend Kay has carved out a place for herself in the group. One thing is for certain; there's more danger ahead, and it's going to be a busy year for all of them.
