**The treasured stories of the Bible are retold faithfully in clear and engaging words, with bright and appealing pictures bringing each wonderful scene to life**

Bright, vibrant pictures are the focus of this children's Bible where expressive people and animals carry out their lives against a backdrop of colorful and dramatic landscapes. The scenes are set evocatively, not only bringing life and character to the stories of the Bible for younger, or perhaps first-time readers, but also to explaining their implication in the wider context of the Bible. There is a glossary included in the back to explain the words which may be unfamiliar, and page references for each word.
