Local gangster Benjamin Clark has all of Georgia on '*lockdown.*' The drug kingpin sits atop a Southern narcotics empire which is the envy of all his rivals. But despite his success in the deep south criminal underworld Benjamin is still full of hubris. Unlike other '*bosses*' who're content just laying low and enjoying the fruits of their labor. Benjamin is compelled to flash his wealth and status wherever he goes. After all he's worked long and hard for it. His constant flamboyance however begins to strain not only the relationship between him and one of his closest friends.

But also Benjamin's marriage. As Benjamin's lust doesn't just stop at the finer '*things...*' in life. A new woman catches his eye. One he is intent on pursuing. Even at the expense of his current better half. But if you think she's just going to sit back and watch her man have his cake and eat it too you're mistaken. Wifey isn't about to let anyone endanger her lavish lifestyle, including Benjamin. If his love for her has faded, then she's prepared to make the necessary '*arrangements.*' After all... there's a code to the streets of which they both come from. Rules to the game. *Money... over everything.*
