Bring the natural beauty of wildflowers indoors with this delightful collection of ready-to-color stained glass illustrations. Sixteen familiar, accurately rendered wildflowers — all identified — are waiting to be brought to life with a rainbow of colors from the artist's palette. Here are dainty buttercups, vivacious New England asters, a magnificent trumpet vine and showy lady's slipper, a stately jack-in-the-pulpit, water lily and feathery goldenrod, an exotic columbine and eight other species.

Boldly outlined on translucent paper, these lovely illustrations need only be colored with paints, felt-tip pens, or other media and then placed near a window or other light source to produce dazzling stained glass effects.
