Dream of a colourful Christmas this year. The essence of winter in a collection of intricate symmetrical snowflake drawings for you to colour. A wonderful excuse to bring out the glitter gel-pens and create a magical world of multi-coloured crystals.

The images are printed on a single side of the paper to help prevent bleed-through. We recommend putting a sheet of paper or card between pages if using strong inks. The back of each page is marked with a cutting line to aid removal of pictures.
