The First Form Series is for students of all ages because all beginners-regardless of age-are in the grammar stage of learning. Syntax (how to use the grammar) and translation are logic and rhetoric stage skills, respectively, and quickly overwhelm the student unless they are introduced at a slow, gentle pace and taught for mastery. First Form is the ideal text for all beginners, grades 5 & up, or is a great follow-up to Latina Christiana I at any age. Now every school and homeschool can have a truly successful Latin program that creates Latin scholars rather than Latin drop-outs.
