**Medieval Herbal: A facsimile of a 15th century illustrated manuscript** Palatino Press

Herbals (derived from the Latin liber herbalis 'book of herbs') are collections of plant descriptions covering the plants' medicinal, culinary, aromatic, magical, or other properties. Like other early manuscripts, herbals were often 'published' through repeated copying by hand. The herbal reproduced here is a copy of MS Masson 116 held at the Bibliothèque de l'Ecole des Beaux-Arts, Paris. It was produced in Lombardy, North Italy in c.1440 and acquired in 1753 by the newly founded British Museum. Richly illustrated with full page color miniatures on each folio, it is currently held by the British Library, London.
