One Isley Brother's Daughter Elizabeth Isley Barkley

One Isley Brother's daughter is a personal journey of one daughter's experience growing up in a famous rock n roll family called the Isley Brothers. I talk about what it was like going to my father's and uncle's concerts. The excitement, as well as the pressures of being a daughter and living the dream. I am writing for all the fans, to try and soothe their obsessions about "stars" in general. To get them to see that the limelight isn't always bright but could be a dark place. A place where you might not want to go.
