## **Sleeping With Soldiers: In Search of the Macho Man** Rosemary Daniell

Sleeping with Soldiers is rosemary Daniell's story of her search for the macho man, the exploration of her deep attraction to men who live dangerously, who are frankly and naturally masculine. Daniell, an outspoken feminist, writer, and poet, identifies with the risks these men take in the name of freedom and sensation, and like many other independent women, she is drawn to them despite their tendency to drink too much, live too fast, and sometimes display a brutal brand of male chauvinism.
