Score doesn't matter. People do. After a less than stellar 2011 when my mom died of lymphoma, I decided to write an email to my family, friends, fans, and followers expressing what she meant to me. This email began the funny, heartfelt, and inspirational stories that continue today. These stories relate more to life than to golf and are read by golfers and non-golfers alike. The Happiest Golfer is meant to share my experiences and help others. This is not a golf book. It's a life book with golf stories. Golf is not about the score and life is not about the stuff. What matters is the people you're with, the relationships you have, the connections you make, and the memories you create. About the Author Bryan Skavnak is the author of The Happiest Golfer, and owner of the Bryan Skavnak Golf Academy, which for the last 13 years has taught kids and adults how to have more fun, smile more, and have the confidence to perform exceptionally, by showing them that score doesn't matter, people do. He was recently named one of the Top 50 Master Kids Teachers in the world by U.S. Kids Golf and has been a member of the Professional Golfer's Association of America (PGA) since 2005. He is also founder of The Daddy Caddy, Minnesota's best parent/child golf event. As an inspiring speaker and writer, Bryan has helped thousands of golfers (and non-golfers) achieve their dream of being happier and more confident by revealing how to surround themselves with a team of good people and embrace how the game of golf can improve relationships. Bryan has 11 different colored belts, has stacked 5 golf balls on top of each other, and can dance to N 'SYNC's Bye, Bye, Bye. And most likely will do one of those things when you meet him. He is married to his beautiful wife Kim, and has two darn cute kids, Ethan and Ella, who eat more vegetables than candy. Weird kids. Meet Bryan at www.bryansgolf.com or www.thehappiestgolfer.com
