*"This little book is written for ordinary ministers who preach regularly to ordinary people in ordinary places... Most of us preach in gatherings that are smaller than we would wish and tougher than we might have hoped when we entered pastoral ministry... There is a voice on our shoulders who whispers as we prepare, and then as we preach, 'Is it really worth it?'"* **From The Introduction**

Christopher Ash tell us that it is worth it. More than that, he sets out a charter for preaching that draws from the very roots of the Old Testament - showing us that nothing in the world is more worthwhile - for preaching is God's strategy to rebuild a broken world.
