Al-Ghazali on the Remembrance of Death & the Afterlife (Ghazali Series)

Abu Hamid Al-Ghazali

Al-Ghazali on the Remembrance of Death & the Afterlife (Ghazali Series) Abu Hamid Al-Ghazali

This is the first English translation of a key section of al-Ghazali's *Revival of the Religious Sciences*, (*Ihya' Ulum al-Din*), widely regarded as the greatest work of Muslim spirituality. Its theme is of universal interest: death, and the life to come. After expounding his Sufi philosophy of death, and showing the importance of the contemplation of human morality to the mystical way of self-purification, al-Ghazali's takes his readers through the stages of the future life: the vision of the Angels of the Grave, the Resurrection, the Intercession of the Prophets, and finally, the torments of Hell, the delights of Paradise, and—for the elect—the beatific vision of God's Countenance. In this new edition, the Islamic Texts Society has included a translation of Imam Ghazali's own Introduction to the *Revival of the Religious Sciences* which gives the reasons that caused him to write the work, the structure of the whole of the *Revival* and places each of the chapters in the context of the others.
