The Information and Advice You Need to Choose the Right College

Making the right decision requires having all the right information. The *DayStar Guide to Colleges for African American Students* outlines what every African American student needs to know to find the right college, get in, and start laying the foundation for a successful career.

Written specifically for African Americans, this book contains candid advice from successful African American professionals, expert admissions tips, and detailed information on top schools for African American students -- everything you need to make one of the most important decisions in your life.

The *DayStar Guide to Colleges for African American Students* includes:

- * **Ratings** of both the academic and social life for African Americans at more than 400 U.S. colleges and universities, based on a nationwide survey of African American professionals in education
- * **In-Depth Profiles** of the best 100 Colleges for African American students
- * **Facts and Figures** on the African American students and faculty at hundreds of colleges and universities including information on black studies programs and African American organizations, enrollment, graduation rates, and more
- * **Information** on historically black colleges and universities and universities not included in most college guidebooks

Test Prep, Admissions and Guidance. For Life.

Kaplan has helped more than 3 million students achieve their educational and career goals. With 185 centers and more than 1,200 classroom locations throughout the United States and abroad, Kaplan provides a full range of services, including test preparation courses, admissions consulting, programs for international students, professional licensing preparation, and more.
