Simplicity In Preaching J.C. Ryle

'What do you recommend on preaching?' is a frequently asked question that can be answered in a variety of ways. There is always much to learn and there are many books to help us. But whatever else a preacher reads, J.C. Ryle's little masterpiece *Simplicity in Preaching*, is a 'must read'. Ryle packs more experience and sanctified common sense into two dozen pages than many others manage in a lengthy treatise. And, like all of his work, this one illustrates the very simplicity he commends to others. Here indeed is a work whose value and usefulness is out of all proportion to its length. - Sinclair B. Ferguson
