## **Led by the Nose: A Garden of Smells** Jenny Joseph

In this month-by-month memoir, poet Jenny Joseph captures the smells and senses of her English garden. This unconventional viewpoint is expressed through Joseph's sharp observations and the sensual awareness in her poetry, combined with the energy of her descriptive writing. Also reflected is a sense of humor that sends up those in society who make one anxious about failing to live as the trendsetters dictate. Full of delicious diversions that lead readers off the straight and narrow path to smell the roses, this is a fascinating glimpse of a poet's daily and eccentric life.
