Shakespeare and the Goddess of Complete Being

David Birrell Ted Hughes

Shakespeare and the Goddess of Complete Being David Birrell Ted Hughes

Publisher: First published in 1992, Shakespeare and the Goddess of Complete Being has subsequently taken on a mythic life of its own. Dismissed at the time by some scholars, this audacious adventure in criticism has nevertheless become a talisman of sorts-the fruitful engagement of a great modern poet's imagination with that of the greatest writer in our language. In considerable detail, Ted Hughes argues that our response to Shakespeare's late plays is prompted by a mythic, symbolic structure that inheres in each of them, and binds the entire Shakespearean corpus into a single, massive, complex, and ever-evolving work.
