The Thunder Lord (The de Shera Brotherhood) Kathryn Le Veque

1258 A.D. - As Henry III spends most of his time in France and focused on his French favorites, powerful English barons including Simon de Montfort begin to form an allegiance against him. Rising to power in this dark and uncertain time is the House of de Shera; headed by Gallus de Shera, Earl of Coventry and Lord Marshal of Worcestershire, Gallus is flanked by his brothers Maximus and Tiberius, forming an unbreakable circle of strength that cannot be broken. All know and fear the mighty de Shera brothers.

When Gallus de Shera is pressured to enter into a marital contract with the eldest daughter of Hugh Bigod, another powerful warlord, he balks at the suggestion but is resigned to the fact that he has little choice, as the mighty Bigod family would make strong family relations. But before the contract can take place, a fortuitous moment in time sees him rescue a Welsh daughter of royal blood. The Lady Gwenifer Tacey ap Gwynwynwryn ap Gaerwen is the daughter of kings and Gallus is instantly entranced with the raven-haired lass. When Gwenifer's father offers her hand in marriage to Gallus in thanks for rescuing her, Gallus accepts without a second thought. Although he knows he must face Hugh Bigod at some point over the fact that he is no longer an eligible bachelor, he has no remorse - all he can focus on is his new bride, and a powerful love story is born.

Join Gallus and Gwenifer as they embark on a new life together, where the English barons would see their marriage torn apart even as they rebel against Henry III. It is an epic journey of politics, betrayal, hatred, and ultimately a timeless passion between Gallus and Gwenifer in this exciting first book of a three-book trilogy.
