Our NATION IS FACING A PRECARIOUS FUTURE which requires spiritual solutions. Christians should be filling the void, but collectively we are failing. Many Christians sense a spiritual and moral decline. They are looking for clarification on the issues and solutions that resonate in their soul. The answers, as always, are in the Bible. But the focus of most churches in the past 50 years has been on social life and entertainment, not eternal truths and doctrinal principles. CIRCLING THE DRAIN highlights our shortcomings and provides tools for personal recovery. It applies doctrinal principles to current events and bursts many media-sponsored propaganda bubbles. You will learn the underlying reason why the USA has enjoyed blessings in the past and why we are beginning to experience national discipline. RESTORING THE AMERICAN DREAM requires Bible doctrine and the filling of the Spirit. This book is a basic training manual for spiritual restoration. The Bible gives us standard operating procedures for engaging in battle. We must know our enemy and how to wield specific weapons against him - and that requires daily study. The Christian way of life has a long history of success - when it is practiced.
