Jeffrey Archer

Cometh the Hour: Book Six Of the Clifton Chronicles Jeffrey Archer

The #1 *New York Times* bestseller

Cometh the Hour opens with the reading of a suicide note, which has devastating consequences for Harry and Emma Clifton, Giles Barrington and Lady Virginia.

Giles must decide if he should withdraw from politics and try to rescue Karin, the woman he loves, from behind the Iron Curtain. But is Karin truly in love with him, or is she a spy?

Lady Virginia is facing bankruptcy, and can see no way out of her financial problems, until she is introduced to the hapless Cyrus T. Grant III from Baton Rouge, Louisiana, who's in England to see his horse run at Royal Ascot.

Sebastian Clifton is now the Chief Executive of Farthings Bank and a workaholic, whose personal life is thrown into disarray when he falls for Priya, a beautiful Indian girl. Meanwhile, Sebastian's rivals are still plotting to bring him and his chairman down.

Harry Clifton remains determined to get Anatoly Babakov released from a gulag in Siberia, following the international success of his acclaimed book, *Uncle Joe*. But then something unexpected happens that none of them could have anticipated.

Like the previous Clifton Chronicles novels, *Cometh the Hour* showcases Archer's extraordinary storytelling and trademark twists.
