His Captive Mate Samantha Madisen

When her ship crashes on a foreign planet during her first hunting trip, Dazea shudders at the thought of being captured by the barbarians who inhabit this wild, primitive world, and her fears are soon realized when she is caught and taken captive by the ruggedly handsome Captain Hawk Agnon. His civilization turns out to be more technologically sophisticated than she had expected, but this only increases her shock when she finds out that Hawk plans to take her as his mate.

Among Hawk's people, women obey or face the consequences, and Dazea soon learns the hard way that defying her future mate will result in a long, hard spanking on her bare bottom. To make matters worse, she discovers that a sore bottom is far from the most humiliating experience in her future, because when the time comes for Hawk to claim her, it will be done in public.

After a thorough, intimate examination proves her ready to be mated, her training begins. In spite of everything, with each firm punishment and each helpless climax the intense need Hawk's dominance has kindled within her burns ever hotter. Soon enough she will be on display, naked and blushing, as her handsome, dominant mate publicly demonstrates his complete mastery of her body. But when that day comes, will she be able to resist the shame of begging for more?
