Watch the Stars Come Out (A Puffin Unicorn) Riki Levinson

Great for fans of award-winning picture book, *Grandfather's Journey*. In this warm, poignant and highly praised story, a little girl hears how, long ago, another little red-haired girl—her great-grandmother—sailed across the sea with her older brother to join their immigrant parents in a strange new land called America.

“Goode’s evocative illustrations effectively capture the immigration scene of the late 1800s with appropriate costumes and background details.”—*Booklist* (starred review)

“Levinson’s first book is a literary event, written with a quiet understatement that magnifies its emotional effects. So do Goode’s superb paintings . . .”—*Publishers Weekly* (starred review)

“Young readers can return to the book many times with satisfaction. . . . An excellent introduction to the passage through Ellis Island.”—*School Library Journal*

“The theme of immigration, long popular in children’s literature, is captured here for young readers in one of the year’s finest books.”—*The Boston Guide*
