Wild Thing: A Novel Josh Bazell

Beat the Reaper left critics applauding, readers gasping, and Dr. Pietro Brnwa on the run from the mob. WILD THING finds him adrift: at sea, literally, as a cruise ship doctor under an assumed name. So when a reclusive billionaire offers him a job accompanying a sexy but self-destructive paleontologist on the world's worst field assignment, Pietro reluctantly agrees. And that means an army of murderers, mobsters, and international drug dealers--not to mention the occasional lake monster--are about to have a serious Pietro Brnwa problem.

Facing new and old monsters alike, Pietro proves he's one of the crime genre's most exciting new heroes, in this darkly funny and lightning-paced sequel to Josh Bazell's bestselling debut.
