## **Chelate** Jay Besemer

Written during the advent of hormone therapy and gender transition, *Chelate* by Jay Besemer explores the journey towards a new embodiment, one that is immediately complicated by the difficult news of a debilitating illness. This engaging chronicle speaks powerfully and poetically to the experience of inhabiting a toxic body, and the ruptures in consciousness and language that arise when confronted by a stark imperative, and choosing to live, and to change. The book moves intermittently from exile and alienation to hopeful anticipation, played out in short bursts of imaginative dreamwork, where desires eventually give way to their realities, as the self begins mapping the permutations of its momentous shift. What begins in uncertainty and commitment ends in self-recognition, and more uncertainty, but now in a necessary space unified by will, love, action, process, and documentation.

### From reader reviews:

#### **Rose Warfield:**

Book is actually written, printed, or highlighted for everything. You can understand everything you want by a publication. Book has a different type. As you may know that book is important factor to bring us around the world. Next to that you can your reading ability was fluently. A e-book Chelate will make you to possibly be smarter. You can feel a lot more confidence if you can know about every thing. But some of you think this open or reading any book make you bored. It is far from make you fun. Why they might be thought like that? Have you searching for best book or appropriate book with you?

#### **Clarice Johnson:**

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a understanding or any news even restricted. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Chelate as your daily resource information.

#### **Pamela Acuna:**

Beside that Chelate in your phone, it may give you a way to get closer to the new knowledge or data. The information and the knowledge you might got here is fresh from your oven so don't be worry if you feel like an old people live in narrow commune. It is good thing to have Chelate because this book offers to you personally readable information. Do you often have book but you would not get what it's exactly about. Oh come on, that won't happen if you have this with your hand. The Enjoyable agreement here cannot be questionable, similar to treasuring beautiful island. Use you still want to miss the idea? Find this book along with read it from at this point!

#### **Travis Mahon:**

As we know that book is very important thing to add our know-how for everything. By a book we can know everything we want. A book is a list of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This book Chelate was filled in relation to science. Spend your extra time to add your knowledge about your technology competence. Some people has various feel when they reading some sort of book. If you know how big selling point of a book, you can feel enjoy to read a publication. In the modern era like currently, many ways to get book which you wanted.
