Four saucy tales from the legendary vampire girls on Victorian London, bound up in one alluring volume. These are tales to quicken the pulse, thrill the mind, and excite parts of the body that other, lesser books fail to reach.

Novellas and short stories featured in this sweet confection of blood, sex and gothic melodrama include the Holmes of the Baskervilles, Miss Katie Bell - Victorian Vampire, Joan Dark is Lost, and The Vampire Alice Through the Looking Glass.

Welcome to the gothic London of the 1800s, where vampires walk the streets and some of your favorite characters from Victorian literature have been taken and twisted until they snap.
