Don't Eat The Teacher!

Don't Eat The Teacher!

A BIG bite in the upper-right corner of this book tips kids off to a hilarious story about first-day-of-school jitters!

Sammy is a shark with a bad habit--when he gets excited, he bites things. And on the first day of school, he's very excited. He (accidentally) bites the kitchen table, (almost) eats a friend while playing tag, and... (gulp!) swallows the teacher! But Sammy quickly learns his lesson: "Don't eat the stories, don't eat the paintings, don't eat the classroom, and...DON'T EAT THE TEACHER!"

Kids will laugh out loud at the fun text and bright, bold illustrations. And they'll wonder about the corner bitten off of the book--did Sammy eat that, too?

Reading habit all over the world can be said as the method for people to know world a great deal better then how they react towards the world. It can't be mentioned constantly that reading practice only for the geeky individual but for all of you who wants to be success person. So , for all you who want to start looking at as your good habit, it is possible to pick Don't Eat The Teacher! become your starter.

Dallas Richardson:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Don't Eat The Teacher! can make you sense more interested to read.
