Jelly Belly

Dennis Lee

Jelly Belly Dennis Lee

To generations of children, Dennis Lee is known as a wizard of words, the author of such classics as Alligator Pie, Garbage Delight, The Cat and The Wizard, and the bestseller Bubblegum Delicious. With Jelly Belly, originally published in 1983, Lee created a new Mother Goose. As playful and hilarious as our traditional nursery rhymes, Jelly Belly combines toe-tapping poetry with the beguiling illustrations of Juan Wijngaard (winner of the Mother Goose Award). Jelly Belly is the ideal book-for children ages one to five, for older brothers and sisters, for parents, grandparents and any grown up who remains young at heart.

From reader reviews:

Steven Anderson:

Book is written, printed, or outlined for everything. You can know everything you want by a e-book. Book has a different type. To be sure that book is important issue to bring us around the world. Alongside that you can your reading expertise was fluently. A reserve Jelly Belly will make you to always be smarter. You can feel much more confidence if you can know about almost everything. But some of you think that will open or reading any book make you bored. It isn't make you fun. Why they might be thought like that? Have you searching for best book or acceptable book with you?

Fannie Wymer:

What do you concerning book? It is not important along with you? Or just adding material when you require something to explain what yours problem? How about your free time? Or are you busy individual? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have free time? What did you do? Everyone has many questions above. They must answer that question due to the fact just their can do this. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need that Jelly Belly to read.

Stephanie Hopkins:

As people who live in often the modest era should be change about what going on or facts even knowledge to make all of them keep up with the era that is always change and advance. Some of you maybe will probably update themselves by examining books. It is a good choice for you personally but the problems coming to you is you don't know what kind you should start with. This Jelly Belly is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Mark Brainerd:

Your reading 6th sense will not betray a person, why because this Jelly Belly guide written by well-known writer whose to say well how to make book that could be understand by anyone who also read the book. Written within good manner for you, dripping every ideas and producing skill only for eliminate your hunger then you still skepticism Jelly Belly as good book not merely by the cover but also with the content. This is one guide that can break don't assess book by its cover, so do you still needing another sixth sense to pick this kind of!? Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.
