Realize Your Writing Dreams and Make Money! My bet is that quite often you read a magazine or online article and say to yourself, "I could have written that – and better!" So you write your essay or article. Then what? Where do you submit it? Do you give up at this point? I've seen it happen too many times. Your writing dreams are crushed and those paychecks are never going to show up in your mailbox. Think of "Make Money to Write About Your Kids" as your writing angel. It has 16 chapters of useful information before it dives into 285 paying markets, complete with submission email addresses, submission guidelines and pay information. This is the 6th edition of the book, updated February 2015, and over the years it has been perfected to include not just regional markets such as San Diego Family, BC Parent, Orlando Family and more, but also has added national markets such as FamilyFun, BabyTalk, Parents, Parenting, Homeschooling Today and many more. I have personally been published in 140 regional parenting magazines in print and online since publishing this resource, all while maintaining a home, a marriage and homeschooling. I love being able to be at home with my kids while also living my dream of writing and making money for my family. I can get my work done mostly while the kids sleep and then head out to the pool or to the zoo with them! I want other mom and dad writers to be able to realize their dreams, as well. And, of course, you don't even have to be a parent to write for the regional parenting publications! *Now includes all 285 markets in an at-a-glance table with name of publication and email address at the end of the book! You can find the list of publications I have worked with here: <http://www.thekerrieshow.com/2008/03/cool-places-to-get-published.html> What have you got to lose?
