Omnibus 1, Biblical and Classical Civilization

This is an excerpt from an Amazon review by Terri J Rice (11/06/2009) "This is a 600 page text book done on quality paper with beautiful illustrations and photos throughout. For the squeamish about nudity, there is some in the text, for example a full frontal of Michelangelo's David, Ninsun, the Sumerian goddess is a sight to behold!, the beautifully armless but fully endowed Venus is here too. The book addresses sex, violence and religion openly with the understanding that the Bible also addresses all these issues in an open forthright manner. The art and texts covered allow the student to enter into the great discussions"
