The Untold Story of Hurricane Audrey: 50th Anniversary Donald Menard

This book contains over 30 eyewitness accounts of the horrifying events experienced by a legendary people who survived one of the most brutal assaults in our nation's history. Nowhere in our history books can we find a hurricane such as Audrey making landfall with sustained winds of 150 mph along with a forward movement of 30 mph. Following a track from South to due North, the huge storm at landfall produced hurricane force winds from Beaumont, Texas to Gulfport, Mississippi. It maintained hurricane force winds throughout the Eastern United States all the way to the Canadian border before dying out as a tropical wave on the coast of Bordeaux, France. The book contains over 270 pages as well as over 200 photographs. This 50th Commemorative Edition was updated in 2006 with additional information.
