Through The Shattered Glass

Jeanie Clarke, Bradley Craig

Through The Shattered Glass Jeanie Clarke, Bradley Craig

It began as the classic rags to riches story of a girl who escaped a life of misery to attain accidental fame and fortune in the United States. But what happened to the girl when the American dream became a living nightmare? Jeanie Clarke, who shot to wrestling stardom as Lady Blossom, reveals all in this frank account of her individual rise, fall and retribution, and struggles to sustain a family with a husband who was driven to become the greatest wrestling star the world had ever known. For years, she suffered in silence to survive personal tragedy, the pressures of fame, and drug addiction: a self-destructive lifestyle that spiralled out of control. This uncompromising autobiography exposes the dark nature of the substance abuse culture which gripped the entertainment industry, examining the consequences to a broken family that it created. It is a detailed account of her highs and lows during a lifetime in the wrestling business, and the ultimate cost it had on those around her. This is a story of personal survival that remained unknown... until now.
