The Disillusioned, has garnered praise from Hollywood's elite such as Judith McCreary, Co-Executive Producer, Law & Order: SVU, Criminal Minds, & CSI, who said, "The Disillusioned is a fast-paced mystery...you won't put it down until you've unlocked the secrets and lies to find the truth." A mother's suicide threatens to destroy a family legacy. Her sons, Sam and Daniel, are forced to leave their comfortable worlds behind and search for a woman they believe can unlock the secrets that have remained hidden. They are propelled into separate journeys from Los Angeles to the heart of the Zambezi where they are forced to confront a man known as Die Duiwel. On their adventures they will find themselves in a place where death is one breath away, where thousands of children are disappearing into the darkness, and where the woman they are searching for is on the hunt for revenge. When they stand face-to-face with the forgotten slaves of Africa they will fight to redeem what has been lost.
