The SAGE Handbook of Cultural Sociology

David Inglis, Anna-Mari Almila

The SAGE Handbook of Cultural Sociology David Inglis, Anna-Mari Almila

Cultural sociology - or the sociology of culture - has grown from a minority interest in the 1970s to become one of the largest and most vibrant areas within sociology globally. In **The SAGE Handbook of Cultural Sociology**, a global range of experts explore the theory, methodology and innovations that make up this ever-expanding field.

The Handbook's 40 original chapters have been organised into five thematic sections:

- Theoretical Paradigms
- Major Methodological Perspectives
- Domains of Inquiry
- Cultural Sociology in Contexts
- Cultural Sociology and Other Analytical Approaches

Both comprehensive and current, **The SAGE Handbook of Cultural Sociology** will be an essential reference tool for both advanced students and scholars across sociology, cultural studies and media studies.
