"A unique approach to understanding how you innately relate to handling money. A fascinating concept!"

– Gary Chapman, author of *The 5 Love Languages*

True financial well-being involves more than getting out of debt and accumulating wealth. It's about discovering how you're wired by God, and how that wiring influences the way you think about, feel toward, and handle money.

Discovering your money type – whether you are an Abraham (hospitality), an Isaac (discipline), a Jacob (beauty), a Joseph (connection), a Moses (endurance), an Aaron (humility), or a David (leadership) – will bring greater self-awareness, reduce internal financial tension, help you resolve financial conflict with others, and help you grow financially from a faith-based perspective. As you walk with Pastor Brown through the Scriptures you'll find holistic financial pathways that lead you to a place of increased awareness and confidence related to money.

In *The Seven Money Types*, Pastor Tommy Brown leads you on a journey of personal discovery as he reveals the seven money types found in Scripture, helps you identify the type that best fits you by means of a 35-question assessment, and coaches you on understanding, affirming, developing, and enjoying your unique approach to money.
