Now there's something in the realms - that empathizes with the tens of millions of languishing Divorced/Single Dads worldwide, from the teenager to the middle-aged, whose lot was caused by a divorce they never wanted and who long to be reunited with their sons and daughters. The prose and poetry in this book, bound together as a single unit, tells a story. The story of a man who assisted in delivering his three children when they were born, and how a decree of a 'No Fault Divorce' ripped his very young children from him. It tells of a fathers hurting that goes light years beyond tears, into a world of pain whose streets the gods of Olympus dare not tread. No matter where you lay down your head at night, here or somewhere in South America, or in Australia or Japan, or be it in India or Russia, Europe or the U.K. or in Canada... The cultures we live in are hosts to an enormous void. Our world contains an immense silent vacuum when it comes to issues of how, men also have deep feelings, and how they too bleed even when the skin is never broken. A thing that even effects heroes. May the voice of the aforementioned multitude be heard through this work loudly in all the lands, that, "Yes, Fathers Do Matter!" "It's a story strewn with 'mind bomb' land-mines that go off at intervals, long after its been read." May men everywhere find inspiration, support and encouragement in "A HEART RIPPED BY A DIVORCE HE NEVER WANTED". A story whose ride is an odyssey, that ends on a high note.
