You don't have to be an expert in Biblical history or have a PhD in Religion to share Christ with your world. It's not about having every scripture memorized or reciting the perfect prayer to lead your friends to the Lord. So why does it seem that we struggle to share Christ with those we care about? Maybe it's because we have the wrong approach ingrained into us. Being Real is not a guide to evangelism. Instead, it addresses the act of reaching others the way Jesus did, with grace and love. Discover how to make your Christian life so contagious that people around you are drawn to the Lord simply by being your friend.
