**God has established the end from the beginning, and He has left us clues to His plans.**

Every letter in the Hebrew language has its own meaning. When you take the spelling of a word and explore the letters, you get a much deeper meaning. This is what the Bible means when it says, “*line upon line, precept upon precept...*”

In this book you will learn the meaning of each year, and how to apply the meaning of each number of the year, to decipher what God has planned for the current year we are in. You will be taken on a journey from 2013 through 2017 and shown how the numbers of the year will predict what God has planned.

**Get ready to learn how to predict the future, and align yourself with what God has in store for you.**
