Vanished Into Thin Air: The Hope of Every Believer Hal Lindsey

Author Hal Lindsey continues his discussion of the escatology surrounding the rapture prophecy that he started in his earlier book entitled, *The Rapture*. If you thought you knew all there was to know about the end times and the rapture, you were wrong! Mr. Lindsey gives exquisite detail on how to analyze today's world for yourself to see the prophesy coming alive, tossing out what is mere coincidence and reviewing what is true substance. This is a book for every Biblical scholar and for anyone who wants to research the idea of the rapture on his or her own.
