Eye Wonder: Human Body DK Publishing

With exciting new interactive material, this edition of *Eye Wonder: Human Body* explores the inner workings of our bodies, from how the nervous system and the circulatory system work, to the essential roles played by our strong bones and agile minds.

A precursor to DK's awarding-winning *Eyewitness* series, *Eye Wonder* was specially developed for children aged five plus, featuring astonishing photography exhibiting subjects within their natural setting offering a whole new level of information through powerful images. Vocabulary is accessible to young readers, with the meanings of new, subject-related words clearly explained. The combination of breathtaking visuals and informative, accurate text will hook even those children who usually avoid books.

Reissued with a new jacket and eight new pages of mazes, look-and-finds, quizzes, and interactive activities, the new generation of *Eye Wonder* will capture readers' imaginations and give them a reason to delve even deeper into each book.
