## **Point Blank: Poems** Alan King

"In *Point Blank*, we are given an intimate look at one man's inner and outer life, but there's no navel-gazing nonsense. There's always an awareness, implied or explicit, of the sociopolitical crucible. With language both tough-minded and celebratory, Alan King ignites the important details of his experience, compelling us to ask *what-plus-what* added up to our own lives." TIM SEIBLES, author of *Fast Animal* and *One Turn Around the Sun*

"Alan King is one of my favorite up-and-coming poets of his generation. His poems are not pop and flash, rather more like a slow dance with someone you're going to love forever. Here you will find poignant slices of life, so bright in a rough age of race killings and hate speech. He reminds us that what matters has always mattered." JOY HARJO, poet, musician, performer, and teacher
