How should Orthodox Christians regard non-Christian religions? To treat this question, John Garvey provides a concise introduction to great religious traditions, East and West, and goes on to explore how seeds of truth may be found in them, while upholding the Orthodox Church's claim as the unique repository of the Christian tradition and the ark of salvation. "This book offers a solid introduction to interfaith relations, in which encounters among diverse faiths offer both challenges to peaceful coexistence and opportunities for fruitful exchange." -Dr Antonios Kireopoulos, Associate General Secretary for International Affairs and Peace, NCCC
